Direct Deposit Opt-out Form - While it is Corporate policy to receive pay via a direct deposit, there are circumstances that don't allow this as a viable option. In these cases, employees can Opt-out of direct deposit for reasonable cause. Below are your options if you are unable to participate in the direct deposit program. Note that paycheck fraud is at a HIGH and opting out of the security offered by direct deposit risks the delivery of your pay in a timely fashion. Lost or stolen checks may take seven business days to replace and may require your filing of a police report in the case of check fraud, which could extend this replacement time frame further. In the event of an emergency that impacts payroll processing, only direct deposit/Pay Card participants may get paid on-time. Paper checks could be delayed a week or more depending on the situation.

Alternative to Direct Deposit Pay Cards - Consider obtaining a Pay Card if a regular bank checking or savings account is undesirable or not possible. Pay Cards work like a credit card except the amount you can spend is limited to the balance in the account. A Pay Card can be used to sign up for direct deposit as the banking information required is provided by a Pay Card and works the same as far as when deposits are made and comes with additional security benefits as no check can be lost in the mail or stolen. Lost or stolen cards can be canceled and reissued when reporting requirements are met. Your Pay Card agreement will detail the protections of your balance. Be sure to read and understand the terms before signing up. M-NCPPC does not issue pay cards, you will have to attain a pay card via third party.

Opt-out and receive a paper check - sign below - By opting-out of the direct deposit program and the Pay Card option, you are accepting the risks associated with the mailing of your paycheck to your address on record. Pay checks will be mailed no later than the Friday associated with your pay cycle. They cannot be picked-up or delivered to a work location. Due to postage service delivery schedules you may not receive your paper paycheck until Monday or later. Payroll will not consider reissuing checks not received before the end of the week following mailing, or five business days.

OPT-OUT Authorization

By signing below, I am instructing the M-NCPPC to deliver my pay via a paper check mailed to my address on file. I understand and accept that my paycheck may be delivered later than the date typical of those with direct deposit or a pay card would expect. For payments not made by electronic funds transfer (direct deposit), all paper checks shall be mailed by Payroll and shall be dated the date of the employees pay date. No post-dated paper checks shall be mailed prior to the designated payday. The M-NCPPC assumes no responsibility for the delay in receiving a paper check via the US Postal Service (USPS) or its equivalent. Should a paper check have to be reissued due to a lost check, employee may have to wait for as much as five business days before a replacement check will be issued and mailed after the receipt of an affidavit attesting to the loss. Should a paper check be the subject of fraud/theft, employee may be required to provide a police report in addition to signing an affidavit of the theft, which can delay replacement further.
