## ***Chapter I: Purpose, Authority and Other Matters***

### **Section 1. Purpose**

The Commission has a responsibility to establish rules and regulations to provide for the safe and peaceful use of Commission property and parks by the public; for the cultural, educational and recreational benefit and enjoyment of the public; and for the sustainable protection and preservation of the property, facilities, and natural resources entrusted to Commission stewardship.

### **Section 2. Authority**

These Regulations are promulgated pursuant to the Laws of Maryland, including Md. Code, Land Use Sections 17-101(d), 17-207, 17-208, 17-209, 17-302(b)(4), 20-204, 25-804, and 25-807(c), each as amended from time to time.

### **Section 3. Park Directives**

(A) Subject to the limitations provided below, the Commission authorizes a Director to issue Park Directives appropriate for the purposes enumerated in these Regulations.

(B) A Director must issue all Park Directives in writing. The promulgation of a new Park Directive or a change to or rescission of an existing Park Directive must adhere to the following procedures:

(1) At least ten (10) days before a regularly-scheduled public meeting of a Planning Board or the full Commission, as appropriate given the Park Directive's applicability, the Director must cause the proposed Park Directive to be published on the meeting's public agenda. Publication on the agenda is for public notice only, and no further action of the Planning Board or Commission is required, unless the Board or Commission votes to consider the Park Directive as described in subsections (E) or (F) below.

(2) If the Planning Board or the full Commission takes no action on the proposed Park Directive or votes to allow the Director to move forward under subsections (E) or (F), the Director must promulgate the Park Directive by causing it, or pertinent provisions thereof, to be: (a) published and maintained on the appropriate Commission website or

websites; (b) posted by signs affixed in appropriate places as required under these Regulations; and (c) transmitted to the Park Police and the Executive Director, Secretary-Treasurer, and General Counsel of the Commission.

(C) The adoption or modification of a Park Directive is effective on and after the later of: (1) the date specified therein as its effective date; or (2) the first date it has been both published and posted as provided above in Subsection (B). A Park Directive shall continue in full force and effect until a termination date specified therein or, if no such termination date is specified, indefinitely until it is modified or rescinded.

(D) A Director shall not issue any Park Directive that conflicts with these Regulations, or with any Commission Practice or other rule, regulation or policy of general applicability adopted by resolution, or other binding corporate action of the Commission.

(E) Subject to the following procedures, the Montgomery or Prince George's County Planning Board may consider and act upon a proposed or effective Park Directive applicable only in that Planning Board's county:

(1) A Planning Board member may move in open session to consider a proposed or effective Park Directive. If the motion is seconded, and if a majority of board members meeting in open session vote in favor of the motion, the Planning Board chair must schedule a discussion of the Park Directive on the board's agenda when practicable for consideration.

(2) If a Planning Board votes to consider a proposed Park Directive, the Park Directive will not become effective unless the board votes to order the Director to promulgate it. If a Planning Board votes to consider a Park Directive already in effect, that Park Directive remains operative and in effect unless the Board votes to order the Director to modify or rescind it.

(3) Upon a favorable vote to consider a Park Directive proposed or in effect, the chair shall include notice of the pending board discussion for at least ten (10) days to offer the opportunity for members of the public to provide comment, except that, in the

event of an exigency or other due cause as determined by the chair, the board consideration and any subsequent vote may be taken with less notice.

(4) After considering the Park Directive and any public comments, the Planning Board may, by a vote of a majority of members meeting in open session, order the applicable Director to promulgate, modify, or rescind the Park Directive.

(F) The full Commission may consider and act upon a Park Directive applicable in both Montgomery and Prince George's Counties by following the procedures listed in subsection (E) above.

#### **Section 4. Effective Date**

These Regulations will be effective at 12:01 a.m. on July 1, 2017, and remain in effect until such time as they may be modified or revoked as provided by law.
