- 4. **The Recruitment and Selection Services unit continues to improve the recruitment process through the utilization of NEOGOV, an automated applicant tracking system, and by continuing a partnership with the hiring departments. This “green” initiative has resulted in a faster, more efficient recruitment process and the ability to improve the seasonal hiring process utilizing the on-line application system.**

5. From July 2009 to June 2010 there were 122 hires, and of that 34 or 28.0% were internal promotions.

### **Health Benefits – Career and Term Contract**

- Employees may select from three medical plans for health insurance coverage. These include a Point of Service Plan (POS), a Health Maintenance Organizations (HMO), and an Exclusive Provider Organization (EPO). The Commission also offers employees vision, prescription, and dental plans; life, accidental death, dismemberment (AD&D), long term care, a sick leave bank, and long term disability insurance (LTD); employee assistance program (EAP), deferred compensation, access to legal services, and flexible spending accounts.
- The POS allows members to select a primary care physician (PCP) to coordinate all care, including referrals to participating specialists. There are no deductibles when network providers are appropriately used. Members can also by-pass their PCP to access other providers directly, but the reimbursement is lower, deductibles must be met, and the out-of-pocket cost is higher.
- The HMO is a gatekeeper system that uses individual doctor offices or group practices. This type of HMO is called an Individual Practice Association (IPA) model. Employees select a Primary Care Physician who monitors all of their treatment and they receive all of their medical treatment from HMO doctors and facilities. There is no benefit for out-of-network treatment. After the required co-payment, coverage is provided at 100%.
- The United Health Care Exclusive Provider Organization (UHC EPO) allows members to use any provider in the network without a referral. A Primary Care Physician (PCP) must be selected. Most services are covered in full with some requiring a co-payment. Visits to a specialist are covered subject to the office visit co-payment as long as the specialist is a participating provider in the United Health Care Select EPO Network. There are no out-of-network benefits.
- Distribution by Medical plan participation is 16.33% in the HMO, 48.93% in the POS, and 22.40% in the EPO. There are 12.34% career employees who elected not to participate in any medical plan.

  2. Defined Benefit Plan B is integrated with Social Security; 87.33% of full and part-time employees are in Plan B.
  3. Normal retirement for employees in both Plan A and Plan B is age 60 with at least five years of credited service or 30 years of credited service regardless of age.
  4. Defined Benefit Plans C and D are the retirement plans for the Park Police and account for 8.69% of the retirement plan participation. Normal retirement for Plan C is age 49 with 25 years of credited service or age 55 with at least five years of service. Normal retirement for Plan D is 49 with 22 years of credited service or age 55 with at least five years of service; Plan D was closed to new membership in 1993.

## Excerpt from U.S. Equal Employment Opportunity Commission's EEOC Form 164, State and Local Government Information (EEO-4), Instruction Booklet.

### RACE/ETHNIC IDENTIFICATION

An employer may acquire the race/ethnic information necessary for this section either by visual surveys of the work force, or from post-employment records as to the identity of employees. Since visual surveys are permitted, and the fact that race/ethnic identifications are not present on agency records is not an excuse for failure to provide the data called for. However, although the Commission does not encourage direct inquiry as a method of determining racial or ethnic identity, this method is not prohibited in cases where it has been used in the past, or where other methods are not practical, provided it is not used for purposes of discrimination.

Moreover, the fact that employees may be located at different addresses does not provide an acceptable reason for failure to comply with the reporting requirements. In such cases, it is recommended that visual surveys be conducted for the employer by persons such as supervisors who are responsible for the work of the employees or to whom the employees report for instruction or otherwise.

Please note that the General Counsel of the Commission has ruled, on the basis of court decisions, that the Commission has the authority to require the racial and ethnic identification of employees, regardless of any possible conflicting state or local laws.

The concept of race as used by the Equal Employment Opportunity Commission does not denote clearcut scientific definitions of anthropological origins. For the purposes of this report, an employee may be included in the group to which he or she appears to belong, identifies with, or is regarded in the community as belonging. However, no person may be counted in more than one race/ethnic category.

NOTE: The category "HISPANIC", while not a race identification, is included as a separate race/ethnic category because of the employment discrimination often encountered by this group; for this reason do not include HISPANIC under either "white" or "black".

For the purposes of the report, the following race/ethnic categories will be used:

- a. **White (not of Hispanic origin):** All persons having origins in any of the original peoples of Europe, North Africa, or the Middle East.
- b. **Black (not of Hispanic origin):** All persons having origins in any of the Black racial groups of Africa.
- c. **Hispanic:** All persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.
- d. **Asian or Pacific Islander:** All persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This area includes, for example, China, India, Japan, Korea, the Philippine Islands, and Samoa.
